## WOUNDED DRY AGENT HELD IN KILLING OF WOMAN

### GOVERNMENT WILL AID PROJECT

Action was taken by the city council last night on the petition of Congressman A. B. Hinsley that will provide for the further improvement of the harbor, and which will cost about \$161,000.

The inner harbor development plan calls for the widening of the channel from the outer harbor terminal to Point Potrero 100 feet, making it 300 feet wide instead of 200 feet. The government is willing at this time to share in the cost of the widening and to dredge to a depth of 25 feet. The present channel is 200 feet wide and more than 30 feet deep, the depth over 24 feet having been dredged at city expense. Under the new plan the city would add two feet in depth to that the government is willing to pay for.

Turning Basin

Extending from Point Potrero into the inner harbor, the city will bear the entire cost of widening.

(Continued on Page 5)

### Digit Print Denial Costs Peddler \$50

A week ago J. Hesselsohn of 505 Grove street, Oakland, secured a junk peddler's license from the city council, paid \$50 for it, put up his bond, and now wants his \$50 back, but the council has refused the request.

It seems that before a peddler can operate in the city of Richmond he must have his finger prints taken by the police department. This Hesselsohn refuses to permit.

Hesselsohn has a license that he can frame, and the city has 50 bucks in its strong box.

### EAST FACES FLOOD PERIL

CHICAGO, April 2 (UP) Rivers and lakes, swollen and whipped by Easter day gales and rains, gave new threats of floods in the central part of the United States today.

Streams in Illinois, Wisconsin and Iowa, and Missouri, were threatening to overflow their banks. Lake Michigan was still heaving against the crumpling seawalls along the Chicago waterfront. The Mississippi was rising again and required constant guarding of levees in Illinois and Iowa.

With communication systems repaired, the toll of Easter day storms increased to an estimated 50 injured and two dead. Damage was estimated at \$10,000,000.

(Continued on Page 5)

### TWO HURT IN CRASH HERE

Mrs. James Hutton, 450 Thirtieth street, Richmond, is in the Cottage hospital suffering from a severe cut below her right knee and cuts and bruises, while Mrs. H. H. Thomas, 111 Thirtieth street, is suffering from shock and bruises as the result of an automobile accident here yesterday afternoon.

According to police reports Mrs. Hutton was taking a lesson in driving from Mrs. Thomas. At the intersection of Twenty-third street and Barrett avenue Mrs. Hutton saw a stage coming in her direction and she became excited, losing control of her machine. The car crossed the street in the path of the bus and crashed into a telephone pole.

A passerby applied a tourniquet to Mrs. Hutton's leg to halt the flow of blood.

The injured were removed to the Abbott Emergency hospital by a Wilson and Kratzner ambulance. They were treated by Dr. L. A. Hedges. Mrs. Thomas was taken to her home while Mrs. Hutton was removed to the Cottage hospital.

The car was badly wrecked in the crash and the telephone pole was shattered.

### First Christian Board In Meet

Business of the First Christian church was discussed last night at a special meeting of the officers of the church held under the direction of C. S. Ford, president of the board.

All members of the church were requested last night to be present at the Sunday services as the finance committee of the church has an important announcement to make.

**CITED FOR SPEEDING**

PINOLE, April 2—Cason F. Gordon of 3537 Fobhill boulevard, Oakland, was arrested on the Redwood highway yesterday charged with driving his automobile 60 miles an hour. He is cited to appear before Justice of the Peace W. P. Terry here. Traffic Officer M. L. Burbee made the arrest.

### DALE, WELCH MAY NOT QUALIFY

It is not likely that Edgar W. Dale, secretary of the Elk club, and Scott E. Welch of the garage at Seventh street and Nevada avenue who have taken out petitions for councilmen, will qualify as it is believed they will not be able to qualify with the provisions of the city charter concerning the qualifications of a candidate for councilman.

Section 2 of Article 3 of the city charter reads as follows: "See, 2.—Said council shall be composed of nine members each of whom shall have been an elector of the City of Richmond for at least one year next preceding his election."

Under this section the point was raised yesterday that even if both of the men were elected they could not qualify, as they have not been electors of Richmond for the past year.

Neither Dale nor Welch were registered in 1928 according to the records of voters, and Dale did not register this year until the latter part of January, and Welch did not register until the latter part of March.

The matter was taken up with City Attorney T. M. Carlson at Sacramento over the telephone yesterday by City Clerk A. C. Feris, and Carlson after looking up the law telephoned back that neither of the candidates could qualify.

Carlson referred the clerk to Section 1082 of the Political Code which reads as follows: "QUALIFICATIONS OF ELECTORS: Every native citizen of the United States, every person who shall have acquired the rights of citizenship under or by virtue of the treaty of Queretaro, and every naturalized citizen thereof, who shall have become such ninety days prior to any election, of the age of twenty-one years, who shall have been a resident of the State one year next preceding the election, and of the county in which he or she claims his or her vote ninety days, and in the election precinct thirty days, AND WHO HAS CONFORMED TO THE LAW GOVERNING THE REGISTRATION OF VOTERS, SHALL BE A QUALIFIED ELECTOR at any and all elections held within the county, city and county, city, town, or district or district within which such elector resides."

"This section tells of the qualifications of an elector, and reading it in connection with the provisions of the charter, it is claimed bars the two candidates from filing."

### Off On Air Tour Of U. S.

RUTH R. NICHOLS, society girl, who left Washington, D. C., on a 121,000 mile air tour of the United States to interest members of the social elite in various cities in Aviation Country Club idea.

### LONE EAGLE VISITS ANNE

MEXICO CITY, April 2 (UP) — Charles A. Lindbergh, paying an unhurried visit to his fiancée, arrived at Valbuena flying field at 1:30 p. m. today from Indianapolis, Ind.

Fifteen minutes after his arrival, his bride-to-be, Miss Ann Morrow, daughter of U. S. Ambassador Dwight W. Morrow, came to the field by automobile. She was accompanied by her mother, her sister, Miss Elizabeth Morrow, and Col. Alexander McNab, military attaché of the embassy.

Lindbergh shook hands with his fiancée, who said, "hello."

Lindbergh replied "How are you?"

Lindbergh was asked the customary questions about the route he took and the length of his stay here.

"I haven't anything to say," was his reply to all questions.

Lindbergh then left for the embassy in an automobile with Mrs. Morrow and her daughters.

No special significance was placed on Lindbergh's latest visit. It is known that the wedding will be in June, and possibly the exact date and the place will be decided on this trip. In that case, a formal announcement will be made, as promised by the Embassy.

### Resident Asks Zoning Change

L. Smalley of Mariposa street of the Richmond Annex section last night petitioned the city council to rezone lots 3 and 4 in block 4 from residential to commercial.

It is Smalley's intention to use the lots as a wrecking place for automobiles.

The matter was referred to the city planning commission for two weeks.

### Antioch Cannery Starts Operation

ANTIOCH, April 2—The Hickmott cannery company has started packing the first of the season's asparagus crop from the Delta district. A force of 200, including 150 women, is being employed and will be augmented later in the season. Packing will continue until July 1.

**Lumber Firms Favor Closing Of Street**

In a letter addressed to the city council last night the Stege Lumber company gave its consent to the closing of Forty-eighth street between Cypress and Carlos avenues.

### JURY HOLDS SHOOTING NEEDLESS

GENEVA, Ill., April 2 (UP) — The shooting of Mrs. Lillian D. King, slain in her Aurora home during a "dry" raid, a shooting that aroused a nation-wide controversy, was held to have been "unnecessary" by a jury here today.

Jury Foreman Roy Smith, whose shotgun fire killed Mrs. D. King, was ordered held to the action of a grand jury on a charge of manslaughter.

Smith, now in an Elgin hospital recovering from a severe revolver wound inflicted by Mr. DeKings' son, Gerald, 15, tried the fatal shot at the DeKings home March 25 last.

The jury's verdict attacked the justice of the warrant on which the raid was made, saying: "We believe from the evidence presented, that the warrant was the result of a false affidavit by Eugene Boyd Fairchild, an attorney of the State's attorney's office."

The verdict called for a day of coronial post-mortem in the city hall and a coroner's jury of five men and four women was appointed to hold an inquest and to report to the coroner.

Smith, who was wounded by Gerald DeKings' son, and in other instances, was ordered held to the action of a grand jury on a charge of manslaughter.

### Dr. Cole Installed As Local Elk Ruler

Dr. C. Walter Cole was installed as ruler of the Richmond lodge of Elks at a ceremony conducted last night in the Elks' clubrooms.

James Shandy, exalted ruler of the Oakland lodge of Elks, and Al Lintz, a member of the Oakland lodge, were in charge of the initiation ceremony.

The new officers are: President, Frank Tiller; Vice President, James Shandy; Exalted Ruler, Dr. C. Walter Cole; Secretary, W. W. Scott; Treasurer, Fred Canfield; and Warden, W. P. Wilson. Past Exalted Ruler, W. W. Scott, resigned his office. Other officers are: John A. Bell, C. K. Parker, John Anderson, trustees.

### Two New Homes Will Be Constructed Here

Two new homes were added to Richmond's growing list for the year yesterday morning when two permits were obtained at the office of A. J. Hurley, city building inspector.

One of these residences, to cost \$500 will be built on Down street between Twenty-third and Twenty-sixth streets by E. L. Carroll. A garage will also be constructed on the lot.

Samuel Anderson also obtained a permit to build a rear porch addition to a cottage on Second street between Barrett and Ripley streets. The work will cost \$250.

### Weisgerber Takes DeSoto Six Agency

The DeSoto Motors company, recognizing the strategic position of Richmond in the automobile industry, yesterday made public an agreement of the appointment of A. J. Weisgerber of Richmond as exclusive agent in Contra Costa county for the DeSoto six.

Weisgerber has been connected with the L. J. Thomas, local automobile dealer. He will have his headquarters located at 412 Mason street and will place a corner office on Monday.

### Richmond To Have New Chain Store

Permission to alter the front and interior of a store building on Macdonald avenue near Eighth street to be occupied by the Charles Saunders' Pacific company, Ltd., a chain grocery store, was issued to C. M. Berry, owner of the building yesterday morning by City Building Inspector Arthur J. Hurley. The work will cost about \$1500.

The Saunders' company yesterday announced that it had secured a 10 year lease on the building, which was formerly occupied by the Den O' Sweets. The store is expected to open April 14, when six other stores of the chain will be opened.

Selection of Richmond as one of the first cities in this country to get a Saunders' store is considered a tribute to the growing importance of this city as a trading center.

Saunders is expected to be here personally to supervise the opening of the store. He expects to open more than 10 stores in the Bay region.

### Fox Found Guilty By Martinez Jury

MARTINEZ, April 2 (UP) — When the latter attempted to escape, Fox had served a police officer for Crockett for more than 25 years.

**Mrs. Westwood's Sister Succumbs**

Mrs. Earl Farrel of Santa Rosa, sister of Mrs. C. F. Westwood, 2410 E. Bond avenue, passed away at her home yesterday, according to word received here yesterday. Mrs. Westwood was at the bedside when death came.

Funeral services will be held in Santa Rosa tomorrow after the Spalding hospital here yesterday.

### TRUCK HIT BY SPEEDING TRAIN

VALLEJO, April 2—Eleven persons were injured, one of them probably fatally here shortly before noon today when an electric car of the San Francisco-Napa and Calistoga railroad crashed into a heavily loaded gravel truck on a crossing three miles north of this city.

Charles Saundrud, driver of the truck was the most seriously injured. He was taken to the Spalding hospital here yesterday.

The truck was turned over several times and plunged into a ditch beside the track. The electric car, wrecked loose from its tracks miraculously stayed on the tracks while the truck crashed.

(Continued on Page 5)

### JUSTICE COURT HEARING TODAY

A first case to determine the legal standing of the court of Justice of the Peace Arthur Peterson in Richmond will be held today at 10 o'clock before the state supreme court in San Francisco.

The hearing was scheduled to be held today in morning but because of the crowded calendar the hearing was postponed until this morning.

An appeal of the decision in the case is not expected, according to attorneys in the action. The case is of the greatest importance to the state and it is believed that the justices will take the case under consideration for several days.

### Three Hurt In Pittsburg Crash

PITTSBURG, April 2—Three persons were injured and the automobile in which they were riding was destroyed by fire when it crashed into a parked truck here today.

Amador Yunquez suffered a cut scalp. His companion, Bernardino Gorda and Basilio Mendoya suffered cuts and bruises. The men are employed at the Pioneer Rubber company's plant here.

Yunquez told firemen that he did not see the truck until he crashed into it. His car caught fire and burned before the fire department arrived. Damage was placed at \$500.

### Council Holds 'Record' Meet

A record meeting of the city council in many respects was held last night. Promptly at eight o'clock the session was called to order by Mayor Mattie Chandler, and in fifteen minutes, the business of the evening was transacted, and the meeting adjourned.

In the absence of City Clerk Arthur Paris, City Manager J. A. McVie acted as clerk pro tem.

**HAS OPERATION**

Albert Terra, 7 and his sister, 5, were operated upon for the removal of their tonsils at the Spalding hospital here yesterday.

## IT IS NOT ALL AGAINST PROHIBITION

Legislatures are repeating or discussing the repeal of the state prohibition laws and that reminds us that this was the year during which the noble experiment was to be turned into local option by our recent democratic campaigners. Discussion is becoming more and more frank about the failures of enforcement, which many unthinking people mistake to be the failures of prohibition as a principle.

But all of the present reaction is not directed against prohibition. A new element has come into the confusion. Just as industry put it over after morals had failed to culminate a 50 year campaign with success, so is industry now devising ways to halt the disordered drinking that goes on under the guise of personal freedom of expression. Men who have been patted on the back and encouraged to take the out of town customer to their apartments for a little shot before going into conference, are now being unloaded by the sales managers who find their helpers disintegrating into customary drunkards. Inquiry is being made into the real returns from that form of hospitality which is founded on and decorated throughout with libations.

In Richmond we learn of the usual crop of divorces filed or planned and the neighbors discuss soberly the causes and find four out of five broken families and seven out of ten unhappy homes owing their discord to too much bother with the bottle. Emulation has spread surreptitious drinking; weariness with a dull winter, well mixed with sickness and lack of prosperity has called for surcease in the relaxing arms of alcohol. Moderation is noted in many homes where once a generous use of the profligate juice was made.

We can say that people are waking up, at least within the scope of our own observation. There will continue to be celebrating and much joy in a few high balls and even in a few darned good scuses. But when the reform begins to edge in from both the top of industrial management and from the homes of the people themselves, there is bound to be a narrowing of the field of illicit drinking. Should the tendencies continue, there will be a solution that deserves to but will not win the prize.

## WILLIAM BOOTH'S CENTENARY

From whatever viewpoint the work of William Booth, Founder of the Salvation Army, whose centenary birth is being recalled this week, he was born in Nottingham, England on the 10th of April, 1829, one aspect of it will appeal to all our readers. He carved out for himself the most hazardous and problematical objective. That was in the year 1865.

In 1875 the militant idea of a pacific aggressiveness was embodied in the adoption of the name "The Salvation Army." Then followed a sort of religious prairie fire. His slum parish became world wide. William Booth was a forceful and benevolent dynamo in his time, and the social ramifications of the Army have fully justified the wisdom of the radical measures of welfare service adopted by its founder.

How far the genius of leadership and organization will fall, like the proverbial mantle upon his followers today, remains to be seen. The recent conference in London showed that all is or was not so well in matters of government. Governmental agitations are not the healthiest precursors to the salvation of souls, and it is hoped that Commander Evangeline C. Booth, now that she is freed from the direct anxiety of recent discussions, will lead the forces of the Army in America for many years to come in the spirit and with the flood-tide-like force of her illustrious father.

Houses are made more comfortable in winter by weather stripping, but sometimes we, in our innocent way, think that girls are not.—Louisville Times.

## Pittsburg Chief Of Police Will Get Hero Medal

PITTSBURG, April 2.—Police Chief Charles Seudero will be presented with a gold medal by the city council for heroism as the result of his actions in saving the life of an aged man from the waters of the bay here last week.

Seudero in his many years as police and fire chief of the local departments, has saved 59 men from drowning.

The council last night authorized the purchase of a gold medal which will be presented to Seudero on April 15.

## Driver Burned In Car Blaze

John Antony, of Oakland, was burned on the hands and face Monday night when his truck caught fire near the junction of the Franklin canyon and bayshore highways above Pinole. Anthony was taken to an Oakland hospital. The fire was extinguished by the Pinole fire department.

Drapery Gingham

The new gingham and floral patterns; in cut and hem you may make attractive side drapes for breakfast nook or boudoir **45c**

## WORK ON NEW RAILWAY TO START SOON

By the middle of this week the Western Pacific Railroad company and the Great Northern railway will have altogether five engineering parties working on different sections of the survey of the proposed 200-mile railroad which will close the gap between southern Oregon terminals of the Great Northern at Klamath Falls and the main line of the Western Pacific at Patton or Keddie, California. Survey of the 80-mile sector of this connecting line from Klamath Falls south to Lookout, Modoc county, California is being made by the Great Northern. The survey of the 120 miles from the Western Pacific main line north to Lookout, via Westwood, is in charge of the Western Pacific engineers.

This work is an extensive undertaking and involves the location of the proposed line on the ground and the preparation of maps, profiles and estimates of cost. The maps and data are required for the hearing which will be held some months hence by the Interstate Commerce commission on the applications of the Great Northern and the Western Pacific for certificates of public convenience and necessity which must be obtained before actual construction of the connecting railroad may be begun.

It is the intention to push the surveys vigorously and the engineers are going ahead regardless of difficult highway conditions in some of the territory through which the line will pass and the snow at the higher levels. For the most part it is necessary to establish tent camps and camp equipment and supplies are being moved in by caterpillar tractors where the roads are still closed on account of the snow.

The first Western Pacific engineering party, with R. A. Hollenbeck, locating engineer, in command, and with headquarters at Greenville, Plumas county, started work on March 19. The second Western Pacific party under H. V. Johnston, locating engineer, is now in Big Valley at Bieber, Lassen county. The third Western Pacific party, with S. St. Crenshaw, locating engineer, in charge will establish camp the middle of this week at a point about 25 miles north of Westwood.

The Great Northern's 80-mile section between Klamath Falls and Lookout is at a lower elevation and is consequently more easily accessible and two engineering parties, headed by Locating Engineers Nicholson and Shaffer, have been at work on the survey between Klamath Falls and Lookout since about March 11.

The total personnel of the engineering parties, exclusive of cooks, truck drivers, etc., is approximately 80.

### C. F. Westwood In New Residence

C. F. Westwood, manager of the Schrader branch store on Washington avenue, has moved from 1945 Grant avenue to his new home which is located at 3510 Esmond avenue.

## Blast Kills Man

WHEN TANK of Sun Oil company at Marcus Hook, Pa., exploded one man was killed, six injured and burning oil tossed half mile ignited many homes. The blaze at its height is shown above.

### Driver Taken From Jail For Damage Suit

MARTINEZ, April 2—Enrico Dogali, Oakland scavenger serving a county jail term for manslaughter, was today taken from jail to appear in the Alameda county superior court where he has been made the defendant in a \$71,920 damage suit. Deputy Sheriff Ralph Harrison took the prisoner to Oakland.

The suit is the outgrowth of the death of Mrs. Catherine Lorber, 33, of Antioch and her daughter, Patricia, 10, in an automobile accident near Oakley, on July 29, 1928.

Dogali on his second trial was convicted of manslaughter and was granted probation with the court specifying that the first seven months of the sentence be served in the county jail. The suit has been filed by Arthur Lorber, husband and father of the victims.

### Richmond Man Gets Contract

PINOLE, April 2—Contract for the construction of a concrete retaining wall along the extension of John street here was awarded by the town council today to Frank Auzer, Richmond contractor. Auzer presented a bid of \$150.

The board recently authorized the extension of John street 250 feet to join with Samuel street.

## REBELS TRICK FEDERALS AT JIMINEZ

MEXICO CITY, April 2.—UP—The rebel army is abandoning Jiminez in eight trains, federal aviators reported. It is attempting to repair bridges north of the city which had been burned.

BUENOS AIRES, Mex., April 2.—UP—Rebel authorities in Juarez announced late today that fighting which began before dawn at Jiminez still was in progress when a federal aviator dropped a bomb that broke the telegraph line between Jiminez and Chihuahua city.

Line men immediately began the task of repairing the break, with indications that communication would be restored within a few hours.

Today's fighting was described as the hardest since the outbreak of the revolution. Four rebel battalions went into action in the front lines. The reports added that a large portion of the rebel army of 12,000 was participating in the general engagement.

Col. Enrique Trevino, rebel officer, arriving here today from the front, said a rebel trick had resulted in heavy losses to the federals in the fighting at Jiminez on Easter. Gen. Marco Caraveo, governor of Chihuahua, had five detachments of rebel soldiers in houses in Jiminez and started what looked like heavily loaded troop trains northward. Each train was pulled by two locomotives and the federals thought the rebels were evacuating Jiminez. Federal aviators also reported the town clear of soldiers.

As the federals trooped into Jiminez, exulting at their easy victory, the rebel soldiers, from behind windows and doors, poured a deadly fire from machine guns into their ranks, killing and wounding scores of federals.

### BOMBS DROPPED IN U. S. INJURE MAN

NACO, Arizona, April 2.—UP—An American citizen was critically injured and 200 other persons fled to safety here today when bombs dropped from a rebel airplane attacking the federal garrison in Naco, Sonora, fell on this side of the international boundary line. The man struck by fragments of a bursting bomb was Harry Baker, 45, formerly of Lyons, O. He was taken to a military hospital.

When others of the group observing the raid from Naco, Ariz., saw that the pilot's aim was uncertain, they fled to cover.

### 3 Bombs in U. S.

Of four bombs dropped from the rebel plane, three fell on the American side of the line. One explosion shattered windows in the building housing the United States post office, the Western Union and the American Express branch.

A few hours after the rebel attack two federal airplanes from the loyal state of Lower California landed in the town across the border. They took the air a short time later and returned to report that they had bombed rebel troop trains three miles south.

### Fourth Attack

The rebel attack was the fourth in three days. The first took place Sunday without injury or damage. Two soldiers were killed in a second visit late the same day. A third attack occurred Monday without loss of life.

The rebel column under Gen. Fausto Topete has remained from three to five miles south of Naco since Saturday. No sign of a massed ground attack has been noted.

The federal garrison has been prepared for a vigorous defense for the last 2 days. The rebels remained at Del Rio, Sonora, 25 miles south of here, for more than a week, making preparations for an attack.

The column advanced to its approximate present position Saturday, but with the exception of the intermittent air raids has remained close to its troop trains. The reason for the inactivity is not known.

### Scout Troop No. 3 Plans Initiation

Troop No. 3 of Richmond Boy Scouts will initiate a class of candidates for Boy Scout Troop No. 14 at ceremonies to be held tomorrow night in the Scout hall, according to plans discussed last night.

Members of Troop 3 will go to Pittsburg Friday night where they will present a play, "Eight Ages of Scouts."

Scoutmaster Louis Rasmussen presided last night.

at midnight Thursday on a special train and will return here Sunday morning.

When in the store see our complete line of Wedgewood Stoves. A Limited Allowance on Your Old Stove Connections Free!

Use Our Budget Plan of Divided Payments!

# SPORTS

## FISH MARATHON PLANNED IN SOUTH

LOS ANGELES, April 2.—Fifty of southern California's most energetic fish and game anglers are being sought for the dizziest of present-day sports—a fish marathon.

All these spring anglers and the fish will be gathered to 50, and to a whopping big fish story. A candidate suspected of being a fraud will not necessarily be barred, but will be under a big handicap when the selections are made.

### Women In Meet

The fish catching will be held from the pier, and the fish equal catch will be placed in a barrel. The fish will be taken to the Pacific Ocean, near the pier, on April 17.

They will fish until they are disqualified or exhausted. And will be asked to spend the night on the pier and beach.

There will be a party at the pier and beach.

There will be a party at the pier and beach.

### Three Prizes

There will be three prizes, two for the two contestants, and one for the person landing the most pounds in edible fish.

Hour after hour leisurely gentlemen who toast that they are "retired and spending my last days in peace, sir," fish quietly from the pier and beach. Turn them loose on the pier and beach, and they may never quit.

Starting at noon on April 17, the contestants will fish until all quit, by voluntarily retiring, falling asleep or being disqualified from further competition by attending physicians.

### Your Clothes

Cleaned and pressed, the modern way, a specialty, C. O. D. Cleaners, phone Richmond 687. Cleaners, phone Richmond 460.

RIGS WANTED THE RECORD-HERALD

## Breaking Record

ERIC KRENZ, mighty Norseman, who heaved the platter 163 feet 8 and 7-8 inches, to establish a new discus record in a meet at Palo Alto, between Stanford and the Olympic club.

## Officers To Be Named By Rifle Club

Electing officers and initiation of a class of 20 candidates will be featured at a session of the Richmond Junior Rifle club to be held Friday night in the Wagon Hall, according to an announcement made last night.

The junior club is sponsored by the Richmond National Rifle club.

All members of the group have been urged to be in attendance.

## \$280,000,000 In States Gas Tax

In the expenditure of more than two billion dollars for gasoline last year, motorists of the nation contributed more than \$280,000,000 to the highway building funds of various states, reports the California State Automobile association.

## HARRY BURT TO HEAD LEGION BASEBALL

Harry Burt of the Richmond post of the American Legion, was named county athletic officer in charge of the American Legion junior baseball league at a session of the American Legion County Council in Martinez last night.

It is planned to divide the county into two sections and the winner of the baseball championship of one section will meet the champion of the second section. The county champion will then meet the Alameda county champion.

But will be directly in charge of the baseball games for the county league.

The next session of the council will be held April 18 at Antioch.

## Penniless Man Returns Bonds

SAN FRANCISCO, April 2.—(U.P.)—Tom Brown, 60, had an opportunity to add 1000 shares of valuable mining shares to his total resources of seven pennies that jingled in his pocket while he was looking for a job here today but his honesty overcame the temptation.

The aged man has been ill for several years and has derived pleasure mainly from his reputation for honesty, he told policeman William Gleason.

This afternoon he was out in search of work when he picked up a wallet containing enough wealth to have kept him in good circumstances for the remainder of his life. He pondered over his record of honesty and turned the wallet over to Gleason.

## Light Petitioner 'Changes Mind'

After signing a petition asking for the installation of electric lights on Sixth street, L. Oliver of Hayward changed his mind and so informed the city council in a letter last night in which he asked that his name be removed.

As the council has already ordered installation of the lights, there was nothing left to be done but the filing of the communication.

Check the condition of the jack in your car every so often, suggests the California State Automobile association. It is not used so frequently these days but when it is needed it is needed badly.

## Overnight End Colds

Stop a cold before it stops you. Take HILL'S Cascara-Bromide-Quinine. Stops the cold, checks the fever, opens the bowels, tones the system. Insist on HILL'S, Red box, 30c. All druggists.

HILL'S Cascara-Bromide-Quinine

## PORTLAND, L. A. LEAD COAST LOOP

SAN FRANCISCO, April 2.—UP Baseball teams of Portland and Los Angeles in the Pacific Coast league had established themselves tonight as the strongest early season starters of the opening day of the second week.

The Beavers trounced the Sacramento today, 13 to 2, while the Angels piled up an early lead to defeat Hollywood, 7 to 6, consequently Portland and Los Angeles were tied for first place with Sacramento third.

Rudy Kallio of Seattle hurled a 11 hit game against Oakland so that his team might win, 7 to 1. In the fourth contest the Missions defeated San Francisco 3 to 1.

Portland and Sacramento were even until the fourth inning and then the Beavers scored a total of nine runs in three consecutive frames. Casarella and Freitas held the Senators to three scattered hits.

The Angels made six runs in the first two innings but Hollywood scored four times in the fifth and sixth to be only one run behind the victors. The last three innings were scoreless.

Seattle, behind the exceptional pitching of Kallio, had an easy time. The Missions and Seals were even throughout only the Missions got away to a flying start with two runs in the first inning. San Francisco had six hits and the Missions eight.

## Insane Negro Kills 2, Wounds Three In Orgy

NEWARK, N. J., April 2 (U.P.)—A negro who thought he was being persecuted ran through the streets today, shooting intermittently with a shotgun and a revolver, killing two men and wounding three others before dying of a self-inflicted wound.

Doctors said the negro, William Bell, was insane.

The victims were:

Dead:

Julius Rabinowitz, a jewelry salesman.

Charles Ramsberger, cashier of a variety store.

Injured:

William J. Bahrs, post office clerk.

Thomas Hawke, traffic policeman.

Samuel Cobb, traffic policeman.

For several weeks, friends said, Bell has believed he was being persecuted. Ministers had prayed with him and friends had tried to assure him that the persecution was mere delusion.

## Fighting Fat Man

For some time Bob Fothergill, the over-stuffed outfielder of the Detroit Tigers, has had things his own way. He was never worried that some young upstart rookie was going to come along and take his job.

The Tiger bosses were well satisfied with their outer-gardener and concentrated most of their energy to bettering the inner works.

But this year, with the coming of four or five young hopefuls including Roy Johnson, the \$75,000 "beauty" from the coast and Johnny Stone who hit .354 in 26 games in the majors last season, Bob must look to his laurels.

He was always a heavy hitter, but 220 pounds cannot pick up much speed on a hard hit liner.

REV. WEBB ILL

Rev. A. L. Webb, pastor of the First Christian church, is confined to his home suffering from a bad cold.

MARTINEZ, April 2.—The Contra Costa county board of supervisors and the Santa Fe railroad company today signed contracts for the construction of a steel and concrete span at the Harbor street, Pittsburg subway.

The new subway will replace a wooden structure. The cost of the work will amount to approximately \$25,000 and will be borne by the county and the railroad jointly.

## Diver Sought To Leap From Straits Span

Officials in charge of the second annual Carquinez Straits swim, scheduled for April 14, are seeking a diver to leap from the Carquinez bridge as an added feature to the event.

Such a feat, officials state, would draw a record attendance.

The bridge is 141 feet above water at low tide and with the height of the rafting added would mean a dive of 150 feet into the cold waters.

With 38 having already signed for the straits swim, indications are that the entry list this year will be even greater than for the 1928 event.

## Anzacs Like U S. Machines

The United States supplied approximately seven-eighths percent of New Zealand's automobile requirements during the past year, than runners through the brush.

## SPORTSMEN TO HOLD MEET TONIGHT

Bill, now before the state legislature that affect the sportsmen of the state, will be discussed at a session of the Richmond Sportsmen's club to be held tonight in the Brotherhood hall.

Of vital importance to the organization is the new 15 limit duck bill which has been passed by the senate and which has been tabled before by the fish and game committee of the assembly.

The local club will attempt steps tonight to have the bill taken before the assembly.

It is Dougall, president of the local club, will be in charge of tonight's meeting.

Lloyd Bolt, chairman of the social committee, will be in charge of an Italian dinner that will be served at the conclusion of the meeting.

## Junior Rifle Club Member In New Record

Albert Ljutice, a Junior Rifle Club member last night made 80 points out of a possible 100 in the sub-calibre target practice held by the Richmond National Rifle club. His score was the best of the night.

Fred Kelly, a senior member made 78 points and M. G. Ljutice made 74 out of a possible 100.

## Southern Cross Search Fails

SYDNEY, NEW SOUTH WALES April 2.—UP—Anxiety over the fate of Capt. Harold E. Kingsford Smith and his three companions, on the flight of the monoplane "Southern Cross," increased tonight as 72 hours passed since they reported they were being forced down in an impenetrable jungle.

Airplanes, river launches of the Northwest Mounted Police and overland patrols of police guided by native bushmen took up the search, but there was no means of reporting progress other than runners through the brush.

## Announcing A. R. WEISGERBER

412 MACDONALD AVENUE  
Richmond, Calif. Contra Costa County

# dealer for De Soto Six

CHRYSLER MOTORS PRODUCT

### FIRST SHOWING MONDAY, APRIL 8th

In the newness of its style, in the luxury of its roominess and riding ease, in the thorough fineness of its quality, in its superb power and performance—the new De Soto Six presents the kind and degree of value which the public expects and receives in a Chrysler Motors product. You are invited to see this remarkable new six and confirm for yourself our belief that nothing approaching the new De Soto Six in appearance, performance and value has ever before appeared in the field of low-priced sixes.

DE SOTO MOTOR CORPORATION, DETROIT, MICHIGAN  
Division of Chrysler Corporation 206

## Hero Of Links

### HORTON SMITH

THE LATEST ADDITION TO GOLF—DOMS GREAT. ONLY 21 YEARS OLD, THE YOUNG MISSOURI SENSATION HAS WON THE CATALINA, PENSACOLA, OKLAHOMA, FORT MYERS, AND LAST BUT NOT LEAST, THE LA GORCE OPEN TOURNAMENTS.

THERE'S NOTHING WRONG WITH THIS PICTURE

The two greatest golfers in America, measured by the foot rule of consistent performances, are Walter Hagen and Bobby Jones. But Hagen and Jones may have to move over and make room for Horton Smith from Joplin Mo. In eighteen tournaments, Smith on fourteen occasions finished fourth or better. There is no professional in the country who can come close to that sort of handiwork. He won the recent La Gorce open at Miami with 289 for 72 holes or one over even 4s. He has traveled 30,000 miles since last November competed in eight tournaments and had enough strength left to play that sort of golf.

## Dancer Gets Fish

NO NEWS in that, but this happens to be the other kind of a fish. Bee Jackson, Chicago Charleston dancer is the fair angler who landed the 500 pound Hammer Head shark and two Barracudas weighing 20 pounds each, off the coast of Florida.

## Overnight End Colds

## TRUCK HIT BY SPEEDING TRAIN

Continued from Page 11

huddled into the ditch, grinding the front of the car into the tracks.

The fact that the car itself did not turn over is believed to have saved many of the passengers from serious injury or death.

**Seen By Crew**

According to members of the train crew they saw the truck traveling along the highway which runs parallel to the electric line tracks, at the Sears Point highway it suddenly turned from the main highway and crossed the right-of-way. Too late to stop the speeding electric car, J. H. Hoshur, motorman, applied the brakes. He miraculously escaped serious injury when the front of the car was ground to bits as the front tracks shot out from under it and he was hurled through the window.

Cyle Brown, general manager of the company and Nathan Combs, attorney, immediately started an investigation of the crash.

**Tracks Visible**

Scanned, was unable to give a statement last night as to the cause of the accident or if he had failed to see the approach of the train. According to railroad officials the right-of-way is visible for a mile in both directions from the crossing.

Officials of the railroad had recently appealed to the Railroad Commission for a subway at the crossing, holding that the crossing of the new Marin cutoff road was dangerous. Officials of the commission had inspected the crossing this morning a short time before the accident occurred.

Although all eleven of those receiving hospital treatment received cuts and bruises, attendants last night stated that Scamruel was the only one who was in any danger.

**BIRTH RECORDED**

The birth of Albert F. Treskon on March 30 to Mr. and Mrs. Joseph Treskon, 516 Sixth street was recorded yesterday with the City Health department.

**Masons Attention!**

## City Refuses To Give Money For Bay Barrier

While the city council is heartily in favor of the movement for a salt water barrier somewhere in the bay to provide an adequate supply of fresh water for the industries of the county, it will not contribute to the fund that is now being raised.

The matter was called to the attention of the council last night by L. E. Mullins of Martinez, the secretary of the association in which he asked that Richmond contribute \$250.

City Manager J. A. McVittie said that he had taken the matter up with City Attorney J. M. Carlson and it was his recommendation that Richmond should not be called on for aid, as the city was permitting a lawyer to devote his time to the project, and in so doing, was really paying its pro rata, and more.

## Lodge Secrets Used To Earn Easy Living

SAN FRANCISCO, April 2.—UP—Familiarity with the hand clasp of various fraternal orders enabled Charles Jackson, 51, to live a life of luxury for several years, police claimed here tonight.

Jackson was arrested, police said, because he attempted to secure five dollars from a lodge member with the same story he had used for the same man previously. Officers claimed he told most of his victims he had just been robbed.

The specific allegations against him were that he would work up to any man wearing a lodge emblem and go through the ritual of the lodge member's secret handshake with possibly a secret word of greeting and then ask them for five or ten dollars.

## Alpha Lodge Will Honor State Head

Gus A. Hutt, grand master of the California Masons will be an honored guest at a business session of the Alpha lodge of Masons to be held on April 18. Plans are being made to present an entertainment and banquet for the honored guest.

Rev. H. I. Oberholzer was the speaker at the session of the lodge last night. His topic dealt with the Masonic lodge of the world.

The second degree will be conferred by Alpha lodge Tuesday night.

Jack MacGrath, worshipful master, presided last night.

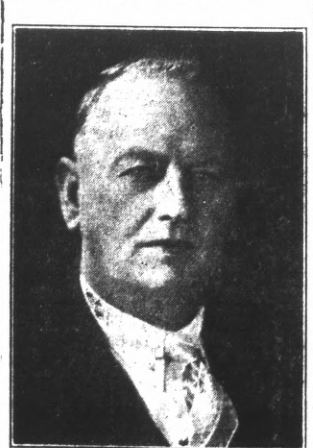

## County Richer As Official Cleans Safe

PITTSBURG, April 2.—Chief of Police Charles Scudero cleaned out the safe in his office today and the county is \$200 richer.

M. Polas, industrial worker paid a fine of \$200 last October on a charge of reckless driving. The money which was received by Police Judge Wade Moore and was placed in Scudero's safe awaiting transfer to the county treasurer. Then it was forgotten.

Scudero today went rummaging through the safe and discovered the roll of bills in a corner. He immediately forwarded the money to the county treasurer.

Roeburn.

## MRS. X. VISITED JUDGE, 'MA' DECLARED

PORTLAND, Ore., April 2.—(U.P.)—Mrs. Minnie "Ma" Kennedy sent Mrs. Lorraine Wiseman-Sieff, known as the "mysterious Mrs. X," to see Judge Carlos Hardy during the time the Almeda Semple McPherson "kidnapping" was being investigated by Los Angeles authorities. It was learned today during the taking of Mrs. Kennedy's deposition for use in the impeachment trial of the jurist.

The mother of the red haired evangelist said that private detectives and attorneys employed by her and Mrs. McPherson reported frequently to Judge Hardy, according to information given newspapermen.

"Ma" was back to normal today and was able to control her tears which halted proceedings on several occasions yesterday.

She seemed resigned to the questioning and Assemblyman William Hornblower and Walter Little appeared entirely satisfied that they were receiving important information concerning the \$2500 "love offering" which Angelus Temple tendered to Judge Hardy.

Mrs. Kennedy even agreed to rescind her orders that no reporters be allowed at the hearing but Rex Hardy, son and legal representative of Judge Hardy, stood adamant and dismissed the request with a gruff refusal.

## Fred Childs To Head DeMolay

Fred Childs will be installed as master councillor of the Richmond chapter of DeMolay at installation ceremonies to be held tomorrow night in the Point Masonic hall.

Other officers to be installed include A. Weston Judkins, senior councillor; Ted Merry, junior councillor; L. Minor, scribe; and Harry Koske, treasurer.

All Masons have been invited to attend the session.

## Tailors In Keyes Case Opens Shop

LOS ANGELES, April 2.—(U.P.)—Two journeymen tailors who worked in the establishment of Ben Getzoff and entered notes in a diary that played a major part in the bribery conspiracy conviction of former District Attorney Asa Keyes, are opening their own business.

Announcements of the venture were mailed today to 40,000 stockholders of the defunct Julian Petroleum corporation by Milton Pike and Joseph Sherman.

It was in the prosecution of Julian Petroleum corporation defendants that Keyes and Ben Getzoff and Ed Rosenberg, convicted with him, were accused of having conspired to obtain dismissals.

## Lions In Plans For District Conclave Here

Plans for the district convention of Lions to be held here April 13 were made yesterday at a session of the Richmond den in the Hotel Carquinez.

John Riley, past governor of District No. 4 of the Lions' clubs of northern California, was the speaker.

Clifford Metz and J. G. Burns were accepted as new members of the club and H. H. Mylander presided.

## Bull Fighter Gets \$50 Fine

MARTINEZ, April 2.—Chavez Fonce, torero, pleaded guilty to a charge of cruelty to animals and was fined \$50 when he appeared before Justice of the Peace Frank Glass here today. Fonce was accused of using a barbed banderillo to spear a bull at the San Pablo bull ring during the Easter Sunday bull fight.

Mmanuel August, promoter of the fight, was dismissed. Charges were preferred by Isaac Lester, Richmond humane officer.

## Harbor Project Here Approved

(Continued from Page 1)

the channel from the existing 200 feet to 400 feet and to dredge a turning basin at the north end of the channel 600 by 500 feet, all to a depth of more than 30 feet.

In addition the government proposes at this time to extend the training wall 5000 feet making it 6000 feet long. The government and the city will share in the cost of this part of the work.

The estimated cost of the training wall extension is \$160,000, of which the city will pay \$30,000 and the federal government a like amount. It is estimated that the cost of widening the channel from the outer harbor terminal to Point Potrero to 300 feet, with a depth of 25 feet for the added portion will be \$72,000, of which the city will pay \$36,000 and the government the balance.

This brings the total amount of money the city will provide to meet the government project to \$116,000.

**\$12,000 Added**

The city will carry out its plan to complete the project without waiting for federal aid. The cost of cutting the channel to Point Potrero to a depth of 30 feet will be \$90,000 more. The cost of widening the inner harbor channel and dredging a turning basin is estimated at \$32,000. This will add \$122,000 to the amount the city will have to pay to meet the government funds, making the total to be spent by the city for the improvement to \$161,000.

The city will draw the funds from the harbor bond money now available.

## E. Weed Trial Delayed Week

MARTINEZ, April 2.—The plea of E. M. Weed, former Richmond jeweler was continued for a week by Superior Judge H. V. Alvarado today. Weed faces a charge of assault with intent to commit murder as the result of a brawl in an El Cerrito road house several weeks ago.

## EAST FACING NEW FLOOD PERIL

Continued from Page 1

age to Chicago's seawall alone was estimated at \$1,000,000 while the southwest, swept by tornadoes, reported heavy property damage.

Shipping on Lake Michigan was interrupted by the lashing lake waters which for a time threatened to wash away the city waterworks at St. Joseph, Mich., and the coast guard station off Lincoln Park, Chicago.

Between Hannibal, Mo., and Fort Madison, Ia., 2000 volunteers aided state militia in the battle against the rising Mississippi to prevent it from sweeping away dikes and levees and flooding thousands of acres of rich farmlands. Some of the levees are in such a condition that breaks are expected momentarily, reports said.

At Quincy, Ill., the river stage was 19.8 feet. Rivermen predicted the flood crest would be reached by tomorrow.

The Skunk, Pabbis, Iowa, Rock and Henderson rivers, tributaries of the Mississippi also were reported near flood stage.

Hanford and Canton, Mo., reported many homes surrounded by water. Factories and business establishments have been closed.

Green Bay, Wis., recovering from a damaging sleet storm Sunday was threatened by rising bay waters and overflow of the Fox river.

## Employees Of Pullman Plant Plan Program

The employees of the Richmond Pullman car shops will entertain at a program and dance to be held in the Albany auditorium Saturday night.

The auditorium is located at Cornell and Main streets, Albany. The event, which will start at 8 o'clock, will be open to the public. Tickets are now on sale. Money derived from the event will be used by the Employee's Relief fund.

RECORD-HERALD

## Girl, 2 Boys Accused Of 11 Jewel Thefts

MODESTO, April 2.—UP—A 17 year old Long Beach girl, Lila Jackson, was arrested here today with two young men and the trio was charged by police with complicity in 11 recent robberies of the San Joaquin valley.

The young men were Horace Brown, 21, and Jack Barnett, 21, both residents of Modesto. They and the girl were apprehended in an almond orchard near here and officers claimed they had in their possession jewelry valued at \$3,000, several diamonds, seven revolvers, three shot guns and other loot from seven robberies here, the burglary of a jewelry store at Newman last Sunday and three stolen automobiles. The youths, police claimed, sought to escape in an automobile but stopped when an officer threatened to shoot.

## Alpha Masons To Hold Dreyssing Rites Here Today

The Alpha lodge of Masons of Richmond will be in charge of funeral services to be held at the Wilson and Kratzer chapel at 2:30 o'clock this afternoon for George W. Dreyssing, veteran key motorman, Rev. Aldis Webb will officiate. Interment will be in Sunset View cemetery.

Dreyssing passed away at his home here Monday. He lived in this city 17 years and served with the Key System 23 years.

Deceased leaves a widow, Mrs. Freda Dreyssing and three sons and daughters, Mr. Arthur McDonald, Miss Gladys Dreyssing and George Dreyssing, all of Richmond.

## Richmond Police To Test Drivers

Richmond novice drivers may take their driving examinations at the Richmond police department any day except Sunday, according to an announcement made yesterday by Chief of Police Dan Cox. Hereafter the examinations were given out one day a week by an officer of the motor vehicle department. The examinations will be given by the Richmond police force.

## ILLIONIS DRY LEADERS TO BE FREED

INDIANAPOLIS, Ind., April 2.—UP—An elaborate "martyr's reception" will welcome the return of Dr. Edward S. Shumaker from the state farm at Putnamville to resume leadership of the Indiana anti-saloon league.

Shumaker, who will be released from the farm Thursday after serving 53 days of a 60-day sentence for contempt of the state supreme court, will be escorted back here by a motor cavalcade, arranged by his league associates.

Ethan A. Miles, attorney for the league, said today that the league escort party would assemble here Thursday morning, parade to Putnamville and greet the freed farm prisoner as he steps from the institution's gates. The demonstration will be climaxed by a dinner and reception at the Broadway Methodist Episcopal church where Dr. F. Scott McBride, general superintendent of the anti-saloon league, is scheduled to be the principal speaker.

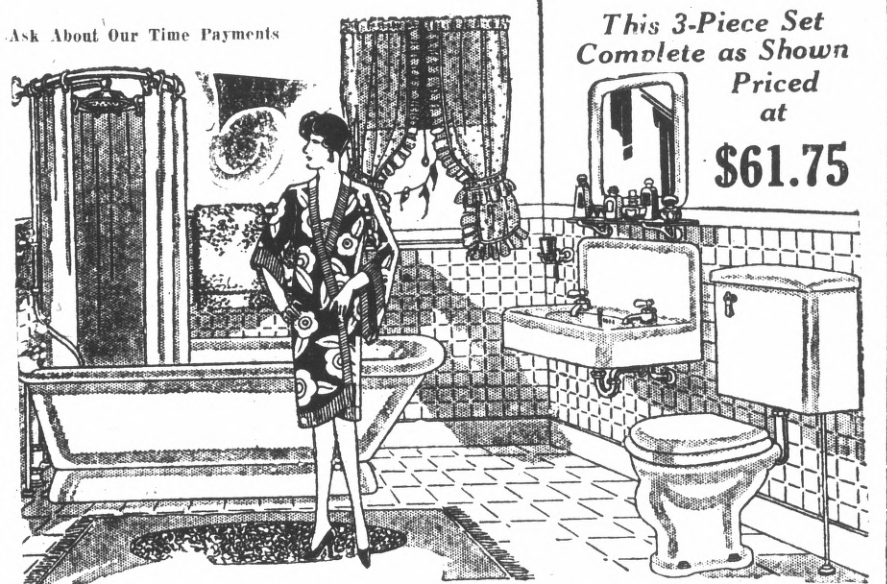

Dr. Shumaker was committed to the state farm after an extended legal battle between his attorneys and Attorney General Arthur L. Gilliom.

Sentence was imposed on a contempt charge, based on Shumaker's attack on the state supreme court which was contained in an article published by the State League's magazine.
